

Q-Zone Frame

& SureStitch Regulator

Q-Zone Features & Benefits

- Compatible with most domestic sewing machines and some mid-arms
- Rails expand to fit machines with 9" - 19" throat
- Smooth Gliding Carriage enhances motion and precision
- Height-Adjustable Legs make it easy to quilt standing or sitting
- Ratcheting Rail Clamps allow for easy adjustment to the height of the bars
- Take-Up Rail stays at the same height, eliminating the need to adjust when you move your quilt to a new position
- Frame is made with high quality steel and aluminum
- Optional Stitch Regulation for compatible machines

SureStitch Features & Benefits

- Delivers accurate, regulated stitching
- Machine can sew at full SPM speed
- Regulator Controls can adjust machine speeds
- Controls include:
 - Digital Speed Display
 - Tie-Off Button
 - On/Off Switch
 - Speed +/- Button
