This class will address the construction of either Long Jacket (**View A**) or Cropped Jacket (**View C**)

Preparation to be completed before class:

- Have your pattern cut into individual pattern pieces and ironed
 - I highly recommend you write your name on every pattern piece, the booklet, and the envelope
- Prepare your fabric—Prewash, dry, and iron your fabric before coming to class

FABRIC

See "Fabric Requirements" on page 1 and Page 3 of instruction booklet

*Remnant of light weight fusible interfacing (we will use this for reinforcing purposes)

NOTIONS & TOOLS

*Thread to match your fabrics

*Cutting scissors

*Trimming scissors

*Pins

*Marking pencils appropriate for your fabric

*Seam gauge

*Seam ripper

*Tape measure: we will use this to position the pattern pieces on the grainline.

- Please do not rely on someone else having a tape measure.

See page 1 of instruction booklet for additional items particular to View A or View C
SEAM FINISHING OPTIONS

Bring required fabric or equipment depending on your chosen method of finishing seams.

- Purchased or custom bias tape
- Flat felled
- Serging

MACHINES & ACCESSORIES

*Sewing machine with power cord & foot control if needed in good working condition

*New size 14 needle with extras

*Straight stitch foot (if you have one)

*Buttonhole foot

*Available for purchase from Sewing Center of Santa Fe

I am looking forward to working with you all; we are in a class to teach one another and to learn from one another. Let's have some fun If you have any questions or concerns please call or email me.
