

TWISTER PILLOW SUPPLY LIST

*Twister Pillows pattern

FABRICS

There are 5 patterns to choose from and 2 sizes. There are also 2 options—lapped or zippered closure. The fabric, fusible interfacing, and batting requirements will depend on which design, size, and closure you pick. We recommend you buy your pattern well in advance of the class so you have time to choose your options and purchase and prep your fabrics.

NOTIONS & TOOLS

CLASS NOTES

1st class we'll be arranging the 5" squares and 3" edge strips and sewing them together. Then we'll cut and sew the twisters row by row.

2nd class we'll finish any twisters that weren't finished on the first class and sew the pillow together. This is when you'll need the fusible interfacing, muslin, batting, and optional zipper.

*Available for purchase from Sewing Center of Santa Fe
