

## UTILITY FEET & STITCHES SUPPLY LIST

PLEASE ARRIVE 15 MINUTES EARLY TO SET UP YOUR MACHINE

We will learn what the feet that came with your machine are for. We will also see what other feet are available that you might find useful.

Sewing Machine, Foot Pedal and Power Cord (leg lift if one came with your machine)

ALL of the feet that came with your machine

Instruction Manual for your Machine

\*Light Colored Thread (not white, beige or yellow as we supply white fabric)

\*Small pair of Scissors

\*Pins

Scrap of woven fabric with obvious back and front side - about 12x12"-18" long

Usually we do a overcasting stitch, blind hem, applique stitches, and alphabet stitches if your machine has these stitches.

Don't forget your READING GLASSES

\*These items are all available at the Sewing Center of Santa Fe store.
