

# Creamy, Dreamy Lemon Cake

## Ingredients:

- 1 Lemon box cake mix
- 1 8 oz container of Cool Whip

## Lemon Curd Filling Ingredients

- $\frac{3}{4}$  cup sugar
  - 2 T. cornstarch
  - dash of salt
  - $\frac{3}{4}$  cup cold water
  - 2 eggs yolks, beaten
  - 1 tsp lemon peel
  - 3T lemon juice
  - 1 T butter
- 

## Directions:

Prepare box cake mix as directed for (2) 8 or 9" round cakes; cool completely.

While cake is baking and cooling, prepare the filling by combining the first three ingredients in the cold water. Pour water mix into a saucepan. Add egg yolks, lemon peel and lemon juice; cook stirring constantly until bubbly. Once bubbling, cook for 1 minute more. Stir in butter until it melts. Cover surface with wax paper; use a wire whisk to stir from time to time to whip filling while it cools. Cool until the lemon curd is the consistency of pudding.

Place one round cake onto cake plate. Spread the cooled lemon filling evenly on top of the cake. Place the second cake on top of the lemon filling. Spread Cool Whip over the entire cake. Keep Refrigerated.
