- B - (1) 1-1/8" x 9"
- C - (2) 1" x 9"
- D - (1) 1-1/8" x 9"

1.

Join Rectangles A B A, along long sides. Press seams toward A. Cut strip set in to (2) 2-1/8" x 4-1/4" segments.
2.

Join Rectangles C D C, along long sides. Press seams toward D. Cut strip set in to (2) 2-1/8" x 4-1/4" segments.
3.

Measure and mark the center of the top edge of each 4-1/4" segment. Place segment on cutting surface. Cut from lower corner to upper center mark. Cut from opposite lower corner to upper center mark. Repeat this for all four segments.
4. Arrange these four triangles according to diagram. Stitch an ABA triangle to a CDC triangle matching diagram and nesting seams. Press this seam open. Repeat to make (2) halves.
5. Join these two halves together to finish block. Press this diagonal seam open.
