

# Block 69: Mitt–Mitt

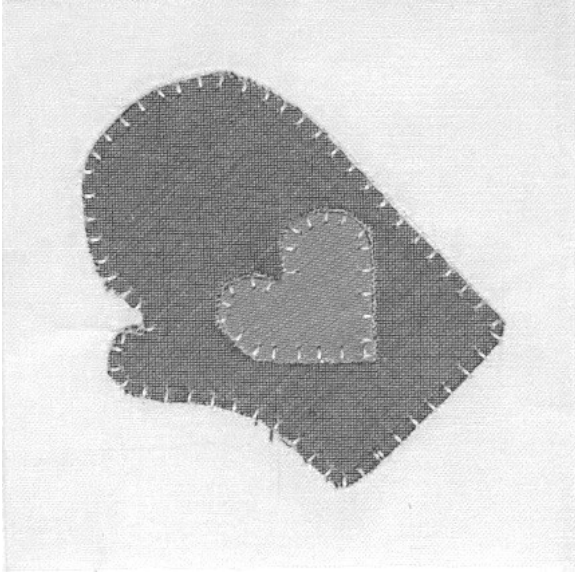

A - (1) 4"

B - (1) 3"

C - (1) 2"

1. Trace the mitten and the heart on the following page onto the paper Grid side of Steam A Seam 2. Trace the two shapes separately. Cut these shapes out larger than the drawn line.
2. Peel the solid paper off each shape and place them sticky side down on the wrong side of your fabrics. Press.
3. Cut out shapes on drawn line through the paper, the webbing and the fabric.
4. Fold Square A in half to form a vertical and a horizontal crease. Peel remaining paper from shapes and place them on Square A matching diagram.
5. Stitch around the shapes using the stitch of your choice. Trim block to 3-1/2".

**1"**

Note:

Make sure this square measures 1" after you have printed this page.

This will ensure your block will turn out 3-1/2" unfinished.
