Composition Notebook

1. Fuse Fusible Fleece to outer fabric, having rough side of fleece against wrong side of fabric. Fuse SF101 to wrong side of fabric embellishments.
2. Cut Heat & Bond to same size as fabric embellishments and fuse to wrong side.
3. Place fabric embellishment on outer fabric where desired and fuse in place. Machine stitch in place through all thicknesses.

4. Place outer fabric right side up on your work surface. Place a folded pocket on each side having raw edges even. Clip together with Wonder Clips and baste through all thickness with a 1/8" seam.
5. Place lining right sides together on outer fabric having raw edges even on all four sides. Clip together with Wonder Clips around edges. Sew all four sides with 1/4" seam, leaving a 3" opening for turning on lower long edge.
6. Trim extra fabric from all four corners, then turn right side out. Press well.
7. Topstitch all the way around, closing up opening.
8. Place composition notebook inside.

Enjoy!
