The DreamBox Comes to Seven Sisters

It's never been this much fun to be a quilter!

Seven Sisters Quilt Shop is thrilled to carry the Dreambox by Create Room. This idea is absolutely fantastic, a full sewing room in a box! What appears as a tidy closet that could be placed in any room of the house, opens up to a fully organized sewing room. It comes with all the shelves and bins and boxes and hooks and every way imaginable to keep your fabric and tools tidy and beautiful too. When your sewing time comes to and end, it magically turns back into an innocent little closet once again. These are truly a dream come true for quilters everywhere!

All Michigan Shop Hop Continues Thru July 31

Michigan quilters are on the road again, traveling from one awesome quilt shop to another day after day, laughing and visiting with quilting friends in the car with sweet sunshine streaming inside their hearts. They are greeted by kind people and beautiful fabric at each shop, taking home a few things that they can't possibly leave behind. All this is a recipe for happiness when you are a quilter. Enjoy your travels, Friends! This is what Michigan summers are all about!
