Dear Sisters,

Spring is such a fantastic time of year for so many reasons. When the sunlight streams warm upon you for the first time all year and the birds are making music, you just can't help but feel like something extra special is happening. Add some beautiful fabric to that -and wow, what a perfect day!

Quilters are enjoying a full day of sewing in The Schoolhouse, and others are loving 3-4 days of sewing at Seven Sisters Quilt Retreat. We hope you are able to get on the schedule soon and make some time for yourself. These are the good ole days!

♥ Rachel & Katie
