All Michigan Shop Hop Begins June 1

It's time for All Michigan Shop Hop 2026! This is the 3rd annual shop hop for the whole state of Michigan. According to Shop Hop Inc., Michigan quilters are tops, of course! We've set records and shown the rest of the nation just how it's done. Quilters have all of June and July to explore the fabric industry in Michigan. It's a great way to find new shops, fabrics, and tools while making new friends at the same time. With 104 quilt shops involved, quilters are sure to find everything they are hoping for and much more.

**All MI Shop Hop
June 1– July 31, 2026**

Make sure to get your shop hop magazine. This has all the info for the hop as well as six patterns made up with the signature shop hop fabric. It also contains your passport, maps and the most current information on almost every quilt shop in the state. Find out all the details on the awesome prizes that have been donated for quilters to win at the end of the hop. So don't wait, start making your traveling plans, and make sure you put Seven Sisters Quilt Shop at the top of your list!

Exclusive All Michigan Shop Hop 2026 Fabric Collection

The 2026 All Michigan Shop Hop™ fabric collection designed especially for this event can only be found at the participating stores. Shop Hop fabrics sell out very quickly, so be sure to pick up what you need for your projects soon. You can also order your fabrics early, then pick them up after the Shop Hop begins on June 1.

This year's fabric collection has a nautical theme for our Great Lakes State. A large panel shows the state surrounded by lakes with sailboats. An additional panel contains 16 blocks illustrated with actual Michigan lighthouses. Coordinating prints feature boats, clouds, fish, fishing icons, and more. Patterns using these fabrics are featured in the All Michigan Shop Hop Magazine.

We know you will have so much fun with all of this!
