

Julia's Little Sampler

55" x 63"

Fabric:

- (1) Tilda Chambray Fat Eighth Bundle
- 4 yd Background Fabric (MODA 9900 200)
- 1 yd Chain Fabric (Tilda Chambray Beige)
- 3/4 yd Prairie Points Fabric (Tilda Chambray Blue)

Notes:

Sampler Blocks will measure 3-1/2" unfinished (after they are pieced).
They will measure 3" when all four sides of the block are sewn into the quilt.

~ Press fabrics with Best Press before cutting these small pieces. You will find they distort less. If you are using woven fabrics, you may want to starch your fabrics even more than normal.

~All seams are 1/4".

(It is quite common for small blocks to turn out too small when finished. It would be a good idea to use a scant 1/4" seam and measure each block as you finish to be sure it will fit with the rest.)

~Because there will be many seams close together in these blocks, you may want to use a narrow presser foot on your machine, (or maybe your Singer Featherweight if you have one). A wider foot tends to slip around on so many little seams.

~ RST: right sides together

➡ Press seam in this direction.

↔ Press seam open.
