**Please understand, this facility was carefully and thoughtfully designed by quilters for fellow quilting groups to enjoy and feel comfortable while away from home. It was not designed as a place to host family reunions, birthday and anniversary celebrations, and it does not accommodate men, children or pets.**

**Please help us keep this place in the beautiful state it is in for quilters to be able to enjoy for many more years to come. Thank you!**

- All rooms are shared, with 4 twin beds in each. There are no private rooms.
- A continental breakfast is stocked in the kitchen. Quilters are welcome to bring food to prepare additional meals, to dine out or have meals delivered.
- Kitchen, bathrooms and bedrooms are fully furnished with necessary items. Quilters are not expected to bring own linens, bath towels, pots & pans, etc.
- A large cutting mat, portable ironing boards and foldable side tables are available for quilters to use. Quilters will need to bring their own quilting necessities. (cutting tools, irons, etc)
- The retreat is a non-smoking facility.
- No basting spray applied in building, please.
- Due to others' sensitivities, please refrain from using profanity and also wearing strong scents and/or perfume.
- Please remember that we all have different views on many controversial issues. These sensitive topics are not typically comfortable conversations to bring up in a group.
