

## Mochi Linen Throw Pillows

18" square

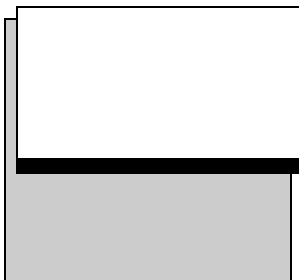

Needed: (1) Mochi Linen Chill Panel  
 1/2yd Linen Print  
 18" Pillow Form  
 Optional: 2 yd Decorative Trim

### Pillow Front:

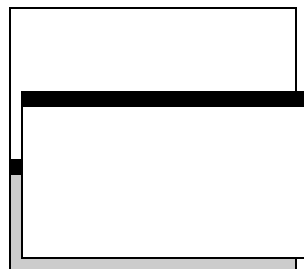

Cut (1) Mochi Linen Panel block. Add fabric to all 4 sides to increase size. Trim to 18" square.

### Pillow Back:

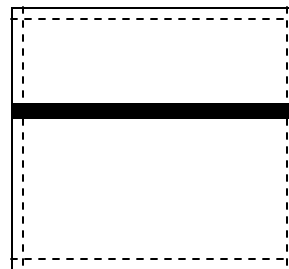

From Linen Print, cut (2) rectangles approximately 13" x 18". Hem one long side of each rectangle, turning up 1/4" then 1 1/2". Stitch in place.

3

### Assembly:

Pin optional Decorative Trim to outer edge of Pillow Front. Baste in place.

1. With pillow front right side up, lay one rectangle right side down on upper edge of pillow front having raw edges even. Pin raw edges.
2. Lay second rectangle right side down on lower edge having raw edges even. Pin raw edges.
3. Stitch with a 1/4" seam allowance around pillow. Reinforce seam allowance if desired. Trim corners, turn and press.

Insert a 18" square pillow form.
