

Sisterhood Sampler Block 10

Reba

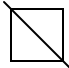

Reba drives 60 miles one way to come to Seven Sisters Quilt Shop. She arrives with bags of knitted hats and scarves and mittens for children in the community that may need warm clothing. She also brings a few special items, made with love for her girls at Seven Sisters. She gets comfortable in the center of the room and tells amazing stories. She makes friends with everyone who happens to enter. Reba loves to look over the projects in the shop and choose sweet gifts for her family and friends. She has quite a talent for fine beadwork that has everyone impressed. Reba is as genuine as can be. She is not shy about expressing her love and is generous with her compliments. Even at 92, Reba is as beautiful and unique as the purple streak in her hair.
