

Sisterhood Sampler Block 11

Kathryn

Kathy signed up for a beginner quilt class at Seven Sisters Quilt Shop one day and claimed a portion of everyone's heart. She made the rest of the class feel very glad to be there, including the teacher. When Kathy's project gave her troubles, instead of being frustrated, she began to chuckle. She called herself "The Problem Child" and good-naturedly showed off her mistakes to all the rest of the class. Any class Kathy comes to feels more like a party. Kathy's path has not been an easy one but what others have learned from her beautiful character is priceless. Her laugh is infectious and her bright spirit is contagious. She is a symbol of uniqueness, selflessness and strength. What a better place our world would be, if more of us adopted sweet Kathy's character traits.
