

# Sisterhood Sampler Block 12

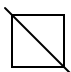

## Charlotte

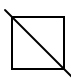

When you meet Charlotte, you first notice her brilliant, beautiful, blue eyes. As you get to know her, you begin to understand her eyes are the windows, allowing you to see into the brilliance of who Charlotte is. There is nothing too difficult for Charlotte. The beauty of the projects she masters can move another to tears. She volunteers for jobs that some would rather pass. She genuinely cares for those that others would ignore. Charlotte has organized charities to provide comfort and warmth to people in need, while personally donating more time, money and fabric than anyone can keep track of. She makes sure each item is special and will bring a smile or a squeal of delight. Charlotte's favorite fabric rule is: If it's not bright, it's not right. That's our Charlotte!
