

Sisterhood Sampler Block 15

Sue-Sue

Sue welcomed Seven Sisters to town with flowers, balloons and much delight. She was the cheerleader, giving the extra boost of confidence so needed to begin. Sue is the 6 a.m. excitement on Deer Widow Day. She offers her time, her friendship, her extra fabric and even to help run the store if needed. When she first decided to learn to quilt, she was all in. Before one class was completed, she signed up for another. Sue brought her quilts to all of her friends and acquaintances, suggesting they learn also. Many took her up on it and are quilting still. Everyone knows if they had need, she would be the first to come, helping in 1000 ways. She is Carson City's 2020 Citizen of the Year and is loved by all. Though there are many Sue's, there is just one Sue-Sue in all of the world.
