

# Sisterhood Sampler Block 17

## Carleen

When Carleen shops at Seven Sisters Quilt Shop, her face lights up each time someone walks in the door. It seems there is nobody Carleen doesn't know. She takes time to catch up with each one. Many have no idea of what keeps Carleen's eyes bright and her face smiling. A few refer to her as an *Unsung Hero*. Carleen sews day after day, making and donating clothing to young children in Haiti. She has also made thousands of care packages for our soldiers overseas. Carleen's homemade items made with love, total around 6500 these days and she doesn't show signs of stopping. She has devoted much of her life's time and energy to those in need, offering a safe and happy home to so many foster children through the years. Carleen's loving heart is a beautiful gift to this world.
