

Sisterhood Sampler Block 19

Carol

Carol is quite new to the quilting world, but has found herself fascinated by every bit of it...the fabric, designs, friends, etc. There is not a project yet that has her stumped. Her work is beautiful and exact. Much of what Carol makes is for those she loves best, bringing smiles to so many around her. Carol loves to be right in the thick of things at the quilt shop. She is always upbeat and has made fast friends with all the other quilters. She is not a complainer or one to bring others down with her own troubles. Quilters have grown to appreciate Carol's humorous lines that lighten the mood in an instant whenever something threatens to darken it. She can bring the laughter out at the drop of a hat. Everyone is thankful to know Carol. She holds a special spot in the Sisterhood.
