

Sisterhood Sampler Block 20

Kimberly

The first thing you notice about Kimberly is her incredibly happy smile. You think you must have caught her on a good day, or that she just received some wonderful news that made her feel especially thrilled. When you get to know her, you realize that is just Kimberly's way. She seems to be on the verge of a hearty laugh at any moment. Kimberly is a beautiful quilter. She organizes a charity group that makes and donates many quilts and projects for those who have lost their homes and possessions in house fires. Her group also lovingly makes bassinet caddies for infants in the NICU. When those that have so little find themselves blessed with something from Kimberly's group, how can they not feel the love stitched within? Kimberly's care gives hope for a brighter day.
