

Sisterhood Sampler Block 25

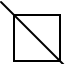

Ruby

A visit from Ruby brings a smile to everyone's face at Seven Sisters Quilt Shop. Her youthful face and bright eyes greet all who are in the place and then she quietly begins to shop, carefully studying each sample and processing the necessary steps and methods. When Ruby attends a sewing day, there is an extra measure of sweetness in the air that everyone appreciates. The quilters love to watch Ruby sew, and are excited with her when she finishes her project. Although Ruby is a wonderful quilter, she only stops in to Seven Sisters Quilt Shop occasionally as she does not own a vehicle. When a ride is available, she doesn't pass it up. Ruby is a beautiful 12 year old girl, with the sweetest face sprinkled with freckles. What a lovely part of the sisterhood she is!
