

# Sisterhood Sampler Block 26

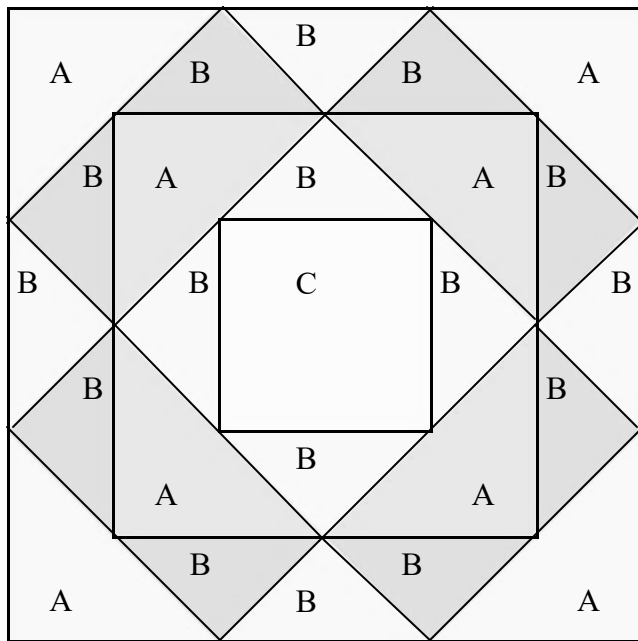

## Anna

She quietly enters Seven Sisters Quilt Shop each morning and takes her place in the kitchen, mixing up a batch of something sweet. Soon, she finds herself behind the cutting counter, listening and helping and finding a way to make each one feel confident and happy with their latest project. She advises and figures and cuts. She has lovely ideas, sews beautiful projects and carefully creates kits for quilters to easily begin. Anna works quickly and carefully without mistakes. Although she never seeks center stage, her hand is in every last detail of all that quilters love best. Anna is extremely capable and handles difficult situations without complaint. She is our Golden Girl, and we find ourselves amazed by her everyday.

We love our niece Anna more than we can say!
