

# Sisterhood Sampler Block 27

## Sandra

The day you meet Sandra, you wonder if you've ever met a more genuine and kind person in your life. Sandra is an exceptional nurse, a gardener, a basket weaver, a stained glass artist, and a wonderful quilter. But more than all of these, Sandra excels in the talent of friendship. She seems to have kept up with every friend she has ever made since her school days. She is a good listener and she sincerely cares about each one. When she comes to class, others are drawn to Sandra's beautiful heart and brand new friendships are formed. Each time Sandra and Phyllis have a Lunch/Fabric date, Seven Sisters Quilt Shop looks on and can't help but feel a tiny bit responsible. Sandra brings warmth and comfort to a lonely world just by being herself.
