

Sisterhood Sampler Block 4

Sweet Lois

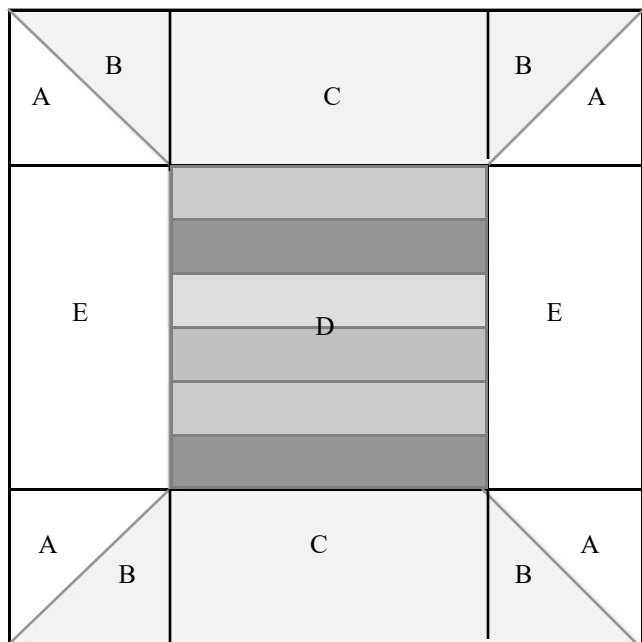

Years ago, our Lois came to Seven Sisters Quilt Shop with a smile on her face and a sparkle in her eye. She came to show off a quilt she had just finished. It was a lovely quilt but her smile and her sparkle were irresistible.

Following that first day, Lois came often. She said her vehicle turned into the parking lot all on its own and there was nothing she could do about it. A visit from Lois turns an ordinary day into something like a party. No one wants to step away and miss a single word. She tells of her life's work and experiences, all with her own brand of humor coloring every detail, and entertaining everyone in the room. Our Lois will turn 90 years young this year.

Her visits continue to brighten up the day and her sparkle is still irresistible.
