

Sisterhood Sampler Setting 4

A- (1) 6 1/2" background 

B- (4) Template B from assorted fabrics

1. Trace (4) of Template B onto the grid paper side of Steam A Seam.
2. Cut out shapes from Steam A Seam larger than drawn line.
3. Peel plain paper off from shape and place shape, sticky side against wrong side of one of the assorted fabrics. Press. Repeat to make 4.
4. Cut out shapes along drawn line. Peel grid paper off one shape and place shape on background square, centering shape along one side of square. Place remaining shapes on background square, one shape for each side of square. Press block.
5. Machine stitch outer edge of curved shape, using either a blanket stitch or a straight stitch.
