Thank you so much for your continued support for our classes, both in person and virtual. Learning a new skill and having fun is very important at Quilter's Cupboard! To sign up for a class, please pre-register to reserve your space. Classes have a minimum of 4 students and refunds are available up to one week before the first class session. In fairness to the teachers and other students who have purchased their supplies, we are unable to make refunds after that time.

Supplies are needed for all classes and a supply list will be emailed at least 1 week prior to start of class. The class fee covers instruction only, but there is a 10% discount on all supplies needed for the class.

Materials for classes must be purchased at Quilter's Cupboard so that we can remain in business to keep offering you more great classes. We appreciate your understanding on this, we also want to make sure you have the correct items needed for class to have a better experience.
