

Alice's Wonderland Sampler Sew Along Club

Skill level: Beginner

Meeting time: 10am on dates below

Registration Fee: \$10 initial registration fee; \$5 for each monthly class attended

Instructor: Jackie Duncley

Join us for a 13 month journey through Alice's Wonderland Sampler. This is a beginner/basic exploration of many common quilting blocks and techniques. Each month, the first hour will focus on a specific block type followed by open sew time in class to work on the blocks. Participants can work at their own pace each month. Where appropriate, we will bring in Studio 180 rulers. Most classes are the 2nd Wed of the month, with a few exceptions.

Oct. 14 th	Rail Fence & square patchwork: focus on piecing and nesting seams (Blocks 1-5, 6-10)
Nov. 18 th	Half Square triangles (HST): Loads of ways to use this one (Blocks 12-18, 20-27); Block 19 will use Corner Pop
