Description: The Sandstone Spires design was created using a series of mixer blocks from the Meadow Star Quilt Mixer series designed by Judy and Bradley Niemeyer, from Quiltworx.com. It includes two sections referred to as Groups A and B and these Group sizes have been standardized so that you can use interchangeable blocks in each space. You may color the pattern in Quiltster. You may want to play with the pattern in Quiltster and see how you can change the design.

What You Will Learn in This Class: Judy Niemeyer's unique Organization, Stacking and Cutting Techniques, Floating Points, Paper piecing templates and tutorial, and curved piecing.

Sandstone Spires

Size: 77 x 77 inches

Fabric: Prior to the introductory session, review the pattern and select the required fabric. If you have done a Judy class before, cut out your papers (Units with a ~1/4 extra and templates on the line). Be sure **not** to cut apart templates that are joined together. They will be cut apart with a stack of fabric under them.

Pattern: Sandstone Spires 68 x 68

Supplies: Sewing Machine, power cord, foot peddle, 1/4 - inch foot or ability to adjust to a 1/4-inch,

New needle: (recommend size 70 microtex (sharp) or 80 microtex (sharp).

Thread to blend with our fabrics

Rotary cutter, small mat, and ruler. (Make sure you have a good blade)

Seam ripper

Flower Head pins

Scissors small

Glue stick (water soluble) and glue pen and repositionable glue (I will have some of these with me.)

Scotch tape

Gallon plastic bag and paper clips

If you have a Purple "Thang" or stiletto, bring it along.

Add a quarter 6 or 12

You also need a folding temple when you work. I will have this for you.

If you need help with fabric quantities, the kitting sheet below may help:
