

ANITA'S VIRTUAL SHOWCASE

ANITA GOODDESIGN 

Bringing the art of embroidery to the comfort of your home!

We've missed seeing you at our Anita Goodesign educator hosted events! We're excited to announce our brand new virtual offering called Anita's Virtual Showcase!

Led by an Anita Goodesign educator, you will see some exciting designs we've recently released as well as some exclusive sneak peeks of things yet to come (*we know these are your favorite!*). After seeing what we're working on, we know you'll be excited and enthused...so much so you won't want to miss anything we're coming out with! So we'll show you the best and most economical way to receive and enjoy our designs, which is through the All Access club—*there is an option just for you!*

Of course we are going to teach you as well! Each month we'll introduce a brand new project that will be shown during your showcase. At the end of the showcase, an educator will go over some tips and tricks of that month's project to help when you're stitching at home. Since the Anita's Virtual Showcase projects will be part of our new educational platform, E-cademy, they will not be in All Access.

You'll save too! During the showcase you'll be given a dealer exclusive code that will allow you to shop on our website to save, save, save!

We're excited to present Anita's Virtual Showcase. Check out the details on how to get this month's design and join our Virtual Showcase—we *hope to see you there!*
