Amy Baughman Sew and Quilt

Welcome to 2019

I remember in grade school the discussion of the future, well, 2020 is in our sites. Who would have thought our sewing and embroidery machines would be this amazing. I did envision flying cars and every episode of the Jeffersons would be true.

So here's to the ever growing and changing technology. Bring it on, we have you covered. Zak and I are attending more training than ever.
