Clear Smoke Thread, this is for an optional quilting technique for the bottom of the bag.
Black sewing thread, and thread to match your fabrics.
Three Colors of Embroidery thread that works with Greys and Blacks. I used Red, Light Silver and Black. no metallic
size 80 needles just in case
Chalk marker and 18" ish ruler

I am bringing the top boarder fabric to embroidery, it is solid black, the leather tabs are black and the hardware is silver. Choose your fabrics and threads around this palette

Handles, Cut 2 3" by 30" fabrics, sewn into a tube and turned.
Body of the Bag: 12" by 15" for the center of the bag
Fused with really thin batting, This is for Design Center design. I like OESD fusible batting.

Front Bag Sides, I used a stripe for the decorative stitches
if you don't have a stripe you like, mark a fabric with 2"
lines to follow. Cut 10" by 24" fabric, fused with Decor
Bond heavy interfacing or OESD fusible batting.

Bag Back: 12" by 28" Fabric fused with fusible batting
Bag Bottom: 8" by 26" Fabric fused with fusible batting
Lining: 1 yard, it will be a miracle if we get that far.
Bring a 12" or larger zipper for a pocket if we make it that far.

We will be there to help you load and un load.

Please pull up to the ramp at the club house if you need help.

You can keep your luggage in the room with you to hold supplies.
