

Mariam Coffey, Award Winning Modern Quilter Introduces, Experience Long Arm Quilting with Janome

Miriam is an award winning Modern Quilter who talent expounds light years beyond her young age. Anytime I spend time with Miriam, I feel inspired and encouraged to keep learning my free motion quilting skills. But, now that I have robotics on my Janome Long Arm, lets say things are alot easier.

Miriam is also the host of Quilt Fresh on PBS. A Janome Educator who travels the globe teaching her passion of quilting. And a bright light in the quilting world.

Join us at the Store location, Choose either Friday or Saturday, Call to hold your spot. Limited seating for this event. This event is for those who do not have a long arm quilter or is interested in upgrading there current quilter, or just plain curious on how they work.
