

Since 2003, Bonaire has been our base of operations in the Southern Caribbean.

As Dive Ambassadors to Bonaire, we will help you maximize your diving experience in this beautiful 'Divers Paradise'!

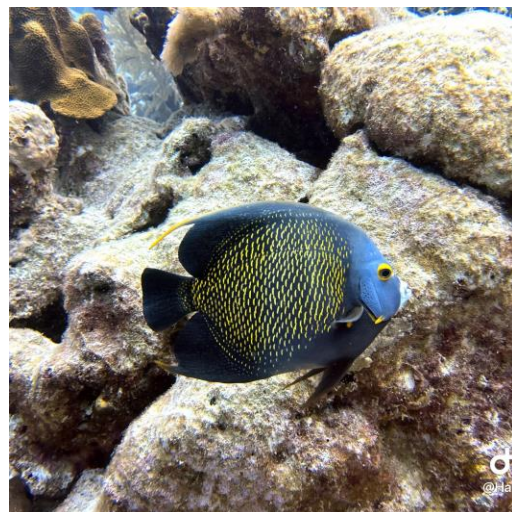

Bonaire features 52 incredible shore dive sites and 26 boat dive sites on Klein Bonaire.

We typically dive 2 -3 dives per day, you're welcome to dive as much or as little as you like !

Bonaire's Coral Reef is only a few yards from the shoreline on many of the dive sites - this makes for less time and energy lost getting to your dive site and more time experiencing the underwater beauty around you.

You'll have incredible opportunities to experience so much cool stuff like Deep Dives, Night Dives, Non-penetrating Wreck Dives, Boat Dives, Shore Entry Dives and more!!

.....simply hanging out near the reef with snorkeling or scuba diving in shallower areas is always an option too

By the way... Bonaire is one of the best places in the world to windsurf, with Trade Winds averaging 18-22 mph daily, making Bonaire the perfect place to windsurf all day!
