2. Diving at the Homestead Crater is done at approximately 6,000-foot elevation. We recommend that you ascend at 20-foot per minute.
3. If you have not been scuba diving in the past six months and/or at high altitude and in water approximately 96°, we strongly recommend a Scuba Skills Update with one of our instructors.
4. No diving alone (a dive master will dive with you for an additional \$25.00).
