

T-Shirt Memory Quilts Cost Estimate Calculator

Please note: The information shown below only provides an estimate of what your project may cost. Final cost may be different depending upon additional options chosen. Feel free to call us if you have any questions.

\$30.00 per t-shirt block and includes the following:

Design Fees, Labor, Fusible Pellon to reinforce the t-shirts, Batting, Backing, Thread, Quilting with an all-over quilting pattern, and full hand-whipped binding. You supply the t-shirts, and we will take care of the rest and deliver to you a finished Memory Quilt that will be treasured for years to come.

Number of T-Shirt Blocks:	Approximate Finished Size:	Estimated Cost: From To	
12	Small Throw	\$360	\$460
16	60 x 60	\$480	\$580
20	60 x 75	\$600	\$700
25	75 x 75	\$750	\$850
30	75 x 90	\$900	\$1000
36	90 x 90	\$1080	\$1180
42	90 x 105	\$1260	\$1360

Adding a border—\$30 to \$60, depending on size of the quilt

Delivery: Memory quilts typically are completed in about 3 months. However, we recommend scheduling ahead during the busy graduation and holiday seasons to insure timely delivery of your completed project.

T-Shirt Preparation: (1) DO NOT cut t-shirts—we will do that for you; (2) Wash/laundry t-shirts; (3) Remove any buttons or embellishments; they can be reattached after completion; and (4) Bring or mail/ship them to our showroom.

We take pride in creating the perfect “memory” and thank you for entrusting yours to us.
