PROJECTS HALF DONE SEW DAY (All Quilting Levels)

\$25

PhD = Projects Half Done.

We all have them - those pesky projects sitting on a shelf waiting to be finished. For a variety of reasons they get set aside, but now is your chance to bring them back out and make some progress! Why join our **PhD Sew Day**?

1. **Make the time.** Life gets busy and we never seem to have enough time, so let's schedule the time on the 2nd Wednesday of the month.
2. **Refresh your memory.** If you've forgotten how to do a technique you started learning when you began your project, one of our knowledgeable staff will be available to answer questions and help you get back on track.
3. **Renew your motivation.** Sometimes projects stall because we lose momentum. Spending the day sewing with others in our classroom can help spark inspiration and get you moving towards the finish line.
4. **Enjoy the community.** Sewing is even better with friends! Come with a friend or make new ones while you sew in our classroom.

Bring a bagged lunch and any **Project Half Done** you'd like to work on. We will supply the sewing machines, irons and all the advice you can handle. Sign up for one, two, or all three dates available!!!!
