

# Bali Wedding Star

## General

- The Bali Wedding Star pattern booklet by Quiltworx.
- Sewing machine in good working order, with a ¼" presser foot, and a regular foot
- High-quality cotton sewing thread that blends well with the fabrics
- Rotary cutter (45 mm and/or 60 mm recommended) with new blade
- Rulers: e.g., 24" × 6" (or 6½" width), and 12" × 6" (optional)
- 12" Add-A-Quarter ruler
- Heavy template plastic piece
- Highlighter markers (at least 2 colours) – useful for marking pattern/foundation pieces

## For Class #1 - organizing and cutting

- Pre-cut or ready to cut foundation papers and template layout sheets, as instructed in the pattern (students should not cut individual units apart before class).
- Zip-lock bags (gallon size or 2-gallon) — we will provide labels
- Large and medium binder clips
- Jumbo paper clips or large paper clips (about ~50) for organization
- Stapler (and maybe staple remover) and Scotch tape
- Flower-head or long-shank glass-head pins
- A glue stick (e.g., Scotch repositionable or similar) and/or a glue pen (e.g., Sewline, Fons & Porter)
- (Optional) "Purple Thang" or stiletto tool for guiding fabric
