

Kimberbell Clear Blue Tiles - Let's Quilt in the hoop!

Supply List:

- Embroidery Machine (**must know how to use design positioning or your camera system**)
- Power Cord
- Basic embroidery supplies ie: snips, scissors, Kimberbell Tape, etc.
- Embroidery hoop (your biggest one) or a DIME Magnetic Hoop
- Double-sided scotch tape
- Embroidery thread to quilt your project with
- 1 bobbin wound with the same color top thread.
- Centering templates that came with your embroidery machine hoops (**unless using DIME Magnetic Hoop**)
- Clear Blue Tiles Essentials Set (including all the notions inside the box and the USB)
***Note if you can't read the full design name on the Clear Blue Tile USB on your embroidery machine please either rename them on the USB or copy them to another USB with the size of the file first.**
- Seasonal Houses Table Runner top completed. Instructions are located on the Clear Blue Tile USB. If you are unable to complete the table runner you will need a piece of fabric that measures approx. 12.5" x 28.5" and is somewhat light in color or you could also use a fabric panel with squares. For the class please don't bring anything measuring over 24" by WOF.
- Batting and backing need to be bigger than the measurements of your quilt top. **(6-8" on top, 6-8" on bottom, and 6-8" on both sides)**
