

Supply List for:
Boot Camp – Beginning Quilting General Session 1
Boot Camp – Beginning Quilting Session 2
Boot Camp – Beginning Quilting Session 3

Session 1 -3

Notebook paper and pencil

- Sewing machine, cord, foot control, a walking foot, and a ¼” foot
- New, size 80/12 sewing machine needles—universals or microtex sharps
- Basic sewing kit—pins, tape measure, seam ripper, scissors
- Rotary mat, cutter, and two rulers—6” x 24” and 6” x 12”
- Cotton or Poly cotton thread (we carry Aurifil)

Fabric Requirements:

Baby	Lap
Background Fabric 1 1/3yd	1 ¾ yd
Color A 1 ¼ yd	1 ¾ yd
Color B 1 ½ yd	1 ¼ yd
Outer Border nondirectional prints 1 ½ yd	2yds

If you choose a directional print for the outer border, you will have to buy 2 ¾ yards for the lap size and you will have to piece the top and bottom border. Better to select a nondirectional fabric.

You will be verifying your machine set up with a 1/4” Foot. If you already have done this step you do not need to bring your machine to the first class. Please bring all the other supplies as we will be practicing our cutting skills. Demo fabric will be provided.

Please come in prior to the first class to purchase your fabric. All fabrics must be purchased at our shop. This will ensure everyone has the same quality of material. Please have your fabric pressed and ready to go for the first class. You will receive a 10% discount on any fabric or supplies you need for these classes.
