1ST ANNUAL FALL QUILTING RETREAT

3 Classes – 1 Fun-Filled Weekend

Saturday morning, Kate Beebe will begin the day teaching us how to make some super cute wallets that are perfect for the upcoming holiday season of gift-giving. She will then teach us a new technique called "Thread Lace." This technique can be used to create scarves, wall hangings, ornaments, as well as adding interest and depth to a variety of projects. The final class, taught by Maret Anderson, will begin Saturday evening and continue into Sunday. Maret, the only certified Laura Heine instructor in the state of Alaska, will be teaching us the art of collage quilting using the methods developed by Laura Heine.
