

# CAIRO, EGYPT/RED SEA/ AFRICAN SAFARI

**APRIL 5 - 22, 2021**

Join us for this amazing trip to Africa! Our adventures will start in the city of Cairo, Egypt where we will spend two days soaking up the Egyptian culture visiting the Giza Pyramids, touring the Egyptian National Museum, Khan El Khalili Bazaars and El Moez Street!

Then it's time to transfer from land to sea!! We will board the Emperor Superior to enjoy some of the premiere dive sites that the Red Sea has

to offer!! Divers will experience wrecks, walls, drifts, pinnacles, hard and soft corals, up to twelve different species of sharks, dolphins, turtles, rays, as well as other smaller tropical fish. We will be exploring the Northern Red Sea which, in addition to many other great dive sites, includes the iconic SS Thistlegorm. A British armed Merchant Navy ship that sank in 1941 carrying Bedford trucks, Wellington boots, aircraft parts, armored vehicles, rifles and much more. Cousteau discovered the ship in the 50's but it was not until 90's that the ship was "re-discovered" to divers for recreational diving.

The final stop of our African adventure is Kenya's Masai Mara National Reserve. Located in the Mara Triangle, the Mara Engai Lodge offers us large, spacious suites that are beautifully furnished with comfortable beds, waterfall showers and private verandas overlooking the Masai Mara Reserve. Twice a day we will board the Pinzgauer vehicles for our African game drives. Mara Triangle along with the highly trained experienced guides will give us an excellent chance of seeing lions, cheetahs, elephants, zebras and hippos, hyenas, bat-eared foxes, jackals, crocodiles, baboons, warthogs, gazelles, impalas, reptiles and birds!

Other activities we available include Quad Bike Adventure, Maasai Village Tour, Walking Safari, Build a Fire Maasai Way, Maasai Naming Ceremony.

**Note: Advanced Open Water certification with Deep Diver Required. Comfortable with drift dives, as currents can be unpredictable and strong.**
