

POPPINS BAG

Large zipper top bag great for all of your magical stuff! Two pockets on the outside and inside keep everything organized. Structural stays keep it in shape. Use a focus fabric and channel stitch the body of the bag OR stitch and flip 2 1/2" strips.

Directions given are for non-directional print fabric or vertical directional print fabric where the print runs selwege to selwege. Instructions for horizontal directional print fabric are noted separately. A horizontal print runs parallel to the selwege or when looking at the fabric on a bolt the pattern is upright and runs along the selwege from left to right. Extra fabric may be required if fussy cutting outside pockets.

MATERIALS

FABRIC		
FOCUS FABRIC OR 2 1/2" Strips	Focus Fabric Bag	2 1/2" Strip Bag

Before class instructions for Large Poppins Bag

Thanks for signing up to take this class. This is a two session class and you will have to complete some of this project between sessions.

Refer to pattern for fabric and notion requirements.

Cutting your pieces before class is a must. The attached sheet can be used to label all your pieces.

Make sure you bring all your extra fabric to class.

Supplies for class.

Sewing machine, walking foot and seam guides for you machine, if you have them. I like to use an 80/12 or 90/14 microtex or universal needle for bag construction.

Matching or complimentary thread for top stitching.

A 20 inch or longer ruler, rotary cutter with sharp blade, clips, pins and a FriXion pen or some type for disappearing marker.

We do have these items for class room use if you do not have them.

You will need to purchase the pattern with stays or the stays by themselves no pattern, Craft-Tex plus bottom, 1 yard Bosal Plus (bondable on both side) and 1 30 inch two pull handbag zipper. All of this items are available at The Stitchin Post. You will not need the zipper until the second class so if the store does not have the color you want, you can order it after the first class if that is more convenient.

5 feet , ¼ inch plastic tubing for the handles. Use clear plumber tubing available at any hardware store. Also not needed until the second class.

Cutting measurements are in inches. Keep in mind if you have a directional fabric 18 inches is the top to bottom measurement,

Focus Fabric (outside)

Cut 2 strips 18 inch wide x WOF

open turn each strip so it lays lengthwise

Sub cut 1 strip into:

2 pieces 11 wide x 18 tall (center section of outside)

2 pieces 8 ½ wide x 18 tall (outside sides)

Sub cut second strip into:

2 pieces 8 ½ wide x 18 tall (outside sides) you now have 4 this size

2 pieces 10 ½ x 18 (outside pockets)

Trim outside pockets to 10 ½ wide x 10 tall

The inside of the bag has 6 matching pieces, and pockets but the pockets are slightly taller.

Inside Fabric (lining)

Cut 2 strips 18 inches wide x WOF

open and turn each strip so it lays lengthwise

Sub cut 1 strip into:

2 pieces 11 wide x 18 tall (center section of lining)

2 pieces 8 ½ wide x 18 tall (lining sides)

Sub cut second strip into:

2 pieces 8 ½ wide x 18 tall (lining sides) you now have 4 this size

2 pieces 10 ½ x 18 tall (inside pockets)

Trim inside pockets to 10 ½ wide x 11 tall

Lining for both inside and outside pockets

Cut 1 strip 10 ½ x WOF open turn lengthwise

sub cut into 2 pieces 10 x 10 ½

2 pieces 11 x 10 ½

Bottom cut 2 rectangles 13 x 19

Handles 4 pieces 2 x 28

Binding for top edge along zipper and pocket binding

Cut 4 strips $2\frac{1}{2}$ x WOF

Sub cut into the following pieces

Side Sashing Cut 2 strips $2\frac{1}{2}$ x 18

Pocket binding Cut 2 strips $2\frac{1}{2}$ x $10\frac{1}{2}$

The remaining piece label binding top/bottom edge of bag

Cut 3 strips $1\frac{1}{4}$ x WOF

Sub cut into the following pieces

Side sashing Cut 2 strips $1\frac{1}{4}$ x 18

The remaining piece label binding around bottom
