

Add a Border To a 3-Yard Quilt

Quilt Perimeter (total of all four sides of quilt)	Add 2 Inches	Add 5 Inches	Number of Strips	Double Fold Binding
Less than 216"	½ yard	1 yard	Cut 6, 2½" strips	½ yard
216" to 222"	½ yard	1 yard	Cut 6, 5½" strips	½ yard

Adding a Border Instructions

Step 1:

Measure each side of quilt; add the four numbers to get the perimeter of the quilt.

Step 2:

Consult the chart above to find the desired width of border, required yardage and the number and size of strips to cut.

Step 3:

Using the border strips, sew together end-to-end. Sew strip to each side of quilt; trim even with top and bottom. Using the remainder of strip, sew to top and bottom; trim even with sides.
