

SATURDAY SAMPLER 2022 – Mystery BOM

“Choose Your Own Adventure”

FEB – NOV 2022 (10 Months)

We are delighted you have chosen to join us for the Busy Bee Quilts Saturday Sampler 2022 (SS2022) program! We hope you find this experience enjoyable & rewarding - make something beautiful, increase your skill level, and meet some new quilting friends!

For those who participated in 2020 & 2021, you know we had to adapt the program to fit our ‘new normal’ and safety precautions. As we embark on 2022, we will continue to adapt as conditions change throughout the year. Otherwise, the program is very similar to years past!

- Our pattern is another ‘Busy Bee original’ this year! Block ideas were submitted by the Busy Bee staff and adapted for this quilt. We’ve included a variety of techniques to practice skills and hopefully learn something new!
- Each monthly kit includes instructions & added tips to the pattern for each month.
- **Note: The design includes 12 Log Cabin setting blocks. Your first kit includes the fabric for all 12 of these blocks. Complete 1 Log Cabin block during February for your punch card in March – the remainder can be done at your own pace throughout the year.*

On the First Saturday of Every Month (Feb – Nov):

- Kits are available at Busy Bee Quilts on Saturday - or stop in during the following week
 - o Remote participants: Kits will arrive by mail early the following week!
 - o You can have your kit shipped for \$3 shipping – just call the shop!
- Live Demonstration at the Busy Bee Design House!
 - o Plus, Door prize drawings & other Fun games!
- Exclusive SALES! Reduced prices on specific tools & notions!
 - o Remote participants: Order ahead & we’ll combine shipping with your kit!
- After Saturday Watch the demo video & Sew those blocks!!!
 - o YouTube: We will post a video tutorial on our YouTube channel
 - o SS2022 Website: Information + Supplemental Tips: We’ll post extra tips on our website, as needed. Look for the ‘Saturday Sampler’ & ‘SS2022’ tabs!
- Punch Cards (provided in March): Incentive to complete your blocks – show us your completed block to earn punches towards discounts! (No ‘penalties’!)

Remember...we are always here to help! Call or stop by if you need any assistance with your blocks. We want this to be a stress-reducing, enjoyable experience that you can enjoy for years to come. Happy Quilting! ~
