

SATURDAY SAMPLER 2021

Mystery Block of the Month

FEB – NOV 2021 (10 Months)

We are delighted you have chosen to join us for the Busy Bee Quilts Saturday Sampler 2021 program! We hope you find this experience enjoyable & rewarding - make something beautiful, increase your skill level, and meet some new quilting friends!

For those who participated in 2020, you know we had to adapt the program to fit our 'new normal' and safety precautions. As we embark on 2021, we will continue to adapt when conditions change throughout the year. You'll notice a few things different than our past years:

- Our pattern is designed by Moda this year – while it's not a 'Busy Bee original', we have enhanced the instructions & added tips to the pattern for each month.
- Also, we did hand-pick the Batik colorways – you won't find these anywhere else!
- We miss the in-person demos & live door prizes as much as you do! Our shop capacity is limited, but we hope to resume those sometime during the year!

Starting on the First Saturday of Every Month:

- Come to Busy Bee Quilts to pick up your Kit (on Saturday or the following week)
 - o Remote participants: Kits will arrive by mail early the following week!
 - o You can have your kit shipped for \$3 shipping – just call the shop!
 - o BOO-BOO Packs will be available for purchase (not required). Use these to fix a mistake, add to your quilt, or add to your stash!
- Special SALES!: Reduced prices on specific tools & notions!
 - o Remote participants: Order ahead & we'll combine shipping with your kit!
- Plus, Door prize drawings & other Fun games!
- After Saturday.....Watch Demos & Sew those blocks!!!
 - o We will host a couple live-stream sessions during the week after SS.
 - o YouTube: We will post a video tutorial on our YouTube channel
 - o SS2021 Information + Supplemental Tips: We'll post extra tips on our website, as needed. Look for the 'Saturday Sampler' & 'SS2021' tabs!
- Punch Cards (provided in March): Show us your completed blocks to earn punches towards a discount!

Remember...we are always here to help. Call or stop by if you need any assistance with your blocks. We want this to be a stress reducing, enjoyable experience that you can enjoy for years to come.

Enjoy! ~Bee Creative~ The Staff at Busy Bee
