Seamstress Charges

☐ Squaring backing - $10.00
☐ Piecing backing (per seam) - $10.00
☐ Seamstress Charge for repairs - $15.00 /hr + materials

PREPARING YOUR QUILT

We take great care and pride in ensuring that your quilt is handled and finished in the most professional manner. As we prepare to provide the next step in your quilting process, you can help ensure the best (and most cost effective) process by doing the following:

- Ensure your backing and batting are 4 inches *on all sides* larger than your quilt top. (This is necessary to load the quilt onto the long arm machine.)   For example, a 40x60 quilt will need batting and backing that is 48x68.)
- Complete your prep work ahead of time. We're happy to piece, trim and iron, but charges will apply.

There is a $25 minimum charge for all long arming.

Additional Items:

☐ Batting - $11.95/yard   Yardage _____
☐ Backing: SKU # _____   Yardage _____
                                                         Price/yd $ _____
☐ Binding: SKU # _____   Yardage _____
                                                         Price/yd $_____
