Diving Barbados

LADIES ONLY GETAWAY

Barbados, known as the “Gem of the Caribbean,” offers a captivating blend of world-class wreck diving, vibrant reef life, and sun-soaked relaxation. Whether you're a beginner or a seasoned diver, Barbados welcomes you with calm waters, exceptional visibility, and an unforgettable lineup of dive experiences. Explore the legendary Carlisle Bay, home to six shipwrecks you can visit in a single dive—perfect for both new and experienced divers. Glide past colorful reef walls at Bell Buoy or Horseshoe Reef, and discover the iconic Stavronikita, a 365-foot freighter resting at 120 feet. You'll encounter sea turtles, eagle rays, frogfish, and perhaps even a seahorse or two. For those seeking adventure, drift dives and east coast excursions offer more challenging terrain.

Reserve by Jan 1, 27

Mango Bay Resort

Nestled on the exclusive Platinum Coast in Holetown, Mango Bay Resort is a boutique, all-inclusive escape that blends beachside tranquility with modern comforts. Steps from high-end boutiques and local cafes, and just a short drive to Bridgetown. Start your morning with a beachside breakfast, spend the day diving or paddling on calm Caribbean waters, and relax by the freeform pool or enjoy nightly live entertainment. Julian's Restaurant serves up a fusion of Caribbean and international flavors, catering to all dietary preferences.

More about Barbados

How Safe is Barbados?

Barbados is a safe, welcoming, and beautiful destination.

What is the diving like in May?

In May, diving in Barbados is excellent—transitioning out of the dry season, you'll find consistently warm water, good visibility, and a wide range of dive sites—from coral reefs to historic wrecks.

What is a "Ladies Only" Trip?

This trip is specially designed for women divers and non-divers to connect, and unwind together in a tropical setting—with experienced group leaders guiding you every step of the way.
