- Basic sewing kit to include: pins, machine needles, scissors, seam ripper, water soluble marking pen
- Rotary cutter with a good blade, ruler & mat for use with rotary cutting tool

Pre Class Preparation:

- For outer bag, cut fabric 22" by the width of the fabric and iron fusible fleece to fabric
- For flap, cut fabric long enough to hoop in the jumbo hoop and iron fusible fleece to fabric

We will start with the outer bag that we will embroider using the endless embroidery feature. The flap is a single hooping. We will compose the flap design in class but may not have time to stitch this out during class time. All directions will be reviewed prior to the end of class so you will feel comfortable finishing the bag at home.
