## Bias Basics - Woven Fabric Tops *with Jeannine Heller*

Jan 9, 16, 23. 2024

2 – 5

Tuition: \$65.00

**Pattern:** Grainline Studios GS11002 multi-sized woven t-shirt pattern

### Fabric/Supplies needed:

- ½” Dritz Stay tape-DF91 or Sewkeys E-woven stay tape
- Swedish tracing paper, Pellon 830 tracing medium (not tearable tracing paper) enough for your complete front and back top patterns and additional to draft sleeve variations - flutter sleeve takes about 1½ yards of 30” or wider tracing medium. 2-3 yards if you plan to draft all sleeve variations
- 1” Clover bias tape maker (suggested, not mandatory)
- Rayon challis, soft linen or soft cotton/blend woven fabrics, extra yardage will be needed for bias cut—Preshrunk and pressed.

### Bring to class:

- Sewing machine with power cord and foot control, cleaned and in good working order with a new needle (**SECOND CLASS ONLY, SEWING MACHINE IS NOT NEEDED FOR FIRST CLASS**)
- Basic sewing kit to include: fabric marking pen or pencil, ruler, scissors for clipping threads, shears, pins and seam ripper
- Serger (helpful if you have one)
- Rotary tools

### Pre Class Preparation:

- Trace your size (according to bust measurement) in a complete front pattern and a complete back pattern, but do not cut the pattern at the edges, leave room to make adjustments to this sizing, both in the upper portion of the pattern and the body-bust line and below. After alterations the pattern pieces will be cut on a single layer of fabric, so you need a complete front, etc. Do not trace the sleeve pattern, we will do that in class.
- Wear undergarments that you will wear with your completed garment

**By the Way:** It is important to have all your materials before class begins and have your sewing machine set up and ready to sew. Our teachers make every effort to start on time and we want you to get full benefit of the class experience.
